Petition from Nanginda Rao and others tailors representing that the Mul Council have levied [illegible] tax on their sewing machines at the rate of Rs 2 per machine and they have attached all their movables for the recovery of the said tax and praying that the tax may be cancelled

6 A petition had been received in this matter which was sent to the [illegible] Agency for disposal

7 From the present petition it is seen that each sewing machine is being taxed at Rs 2/- ~~[illegible]~~ by the Mul Council of Sri Harirajpet It is a minor Mul Council It is not clear whether

The Municipal Council have already Resolved that the Professional Tax of Rs 2 levied from each Tailor should be revised in proportion to the income of each as there seems to be some hardship owing to the general levy of Rs 2 from each individual.

Pending the decision of this question, the arrears of the tax due from the petitioners need not be Recovered. The Commissioner's proceedings adopted may be advised to the petitioners.

SUBJECT — Complaint of Nanjunda Rao and other tailors of Krishnarajpet Town against the levy of professional tax.

Sir,

1496

With reference to your Official Memorandum No. L 1469/Ml 26-28 dated 16th August 1928, I have the honour to state that the President, Municipal Council, Krishnarajpet in his Ittilla No. 21 dated 8th instant reports as follows:-

Prior to 16-17, a shop tax of Re 1/- was levied on persons who stocked cloths and sold them after getting them stitched. The tax was abolished as per Government Order No 6519 Ml. 81-19-5 dated 25th January 1920 This tax was revised during the year 1923-24 and was raised from Re 1/- to Rs 2/- in respect of such persons and they paid this tax till the end of 1925-26 at the latter rate without any objection When the arrears accrued from 1926-27, and demand notices were issued to these people for the recovery of the same and coercive process was adopted, they agreed to pay up the arrears by 30th July 1928 and they have approached the Government at the same time by means of a petition

However, the matter was placed before the Municipal Council in their meeting held on 4th September 1928 for consideration. They have observed that the tax referred to by the petitioners is not a tax on Sewing Machines but a professional tax, that it is not a new tax and that its levy may continue as usual and have resolved

st

that the tax on such persons should be revised in proportion to the income of the respective individuals, as there seems to be some hardship owing to a general levy of Rs 2/- on such professions.

The Council has been requested to revise the tax on such people as early as possible

The copy of the resolution and the petition received with the reference under reply are enclosed for reference

I have the honour to be,

Sir,

Your most obedient servant,

for Deputy Commissioner,

Mysore District.
